# ABOUT

## Bali Charcoal Briquettes

---

**CocoTrade Global Indonesia** is an Indonesia-based trading company focused on exporting high-quality coconut charcoal briquettes to the global market. Founded with a commitment to sustainability, quality, and customer service, we bridge farmers, local producers, and international buyers to create an efficient and responsible supply chain.

As part of our mission to support environmentally friendly energy, our products are derived from 100% natural coconut shells and processed to strict export quality standards, free from harmful chemicals.

**Empowering Sustainable Energy**  
**from Indonesia to the World**
